

2014 Summer Camp

Our Lady of Fatima Parish School!

Positive reinforcement from caring adults, the thrill of summer activities, the sharing of adventures with a group of friends, and the chance to participate in summer fun activities are many of the reasons for sending your child to a summer camp program. Far more than simple child care for the summer, our OLF Summer Camp provides both quality educational experiences and FUN for the campers in a safe environment. The OLF summer camp philosophy is based upon the direct involvement of the staff in the daily activities. Our caring, well trained counselors involve themselves with the campers both by facilitating games and activities and by playing along in games of the campers' choice. Through this interaction our campers develop healthy social skills, learn how to successfully resolve conflicts, and how to make and keep good friends! Camp creates lasting memories!

This brochure includes a sample of the activities we have planned for a summer of fun!

Each camp day is planned to compliment the theme of the week. Daily activities will include blocks of time that may include science, crafts, games, technology and light academics. Weekly field trips to places such as Disneyland and the Aquarium of the Pacific. In addition, we will hike down to the San Clemente Pier once a week to have an enjoyable day in the water and sun. Lastly, we will culminate the week on Fridays with theme play and special guests.

Falcon Fun Summer Camp!
